

The Little Me Growth Chart

Swim Days and Outdoor Play

Boy, have we had a wet summer! As all of you know, we are getting our swim days in whenever possible. Dodging the rain and thunderstorms! Thank you for leaving the children's swim suits here.

Also, with the rain, we try very hard to still get outdoors. We play with sidewalk chalk, the water table and games on the cement area. I know we get really muddy sometimes, but they are having fun! We appreciate the fact that all of our parents are cool with the dirt. In our opinion, it means they had an awesome day!!

Newsletter News

The Little Me Growth Chart newsletter will be going to a bi-monthly newsletter. This current edition is for the months of July and August 2011. We will still put the monthly lunch menu in your child's cubby each month. It is also located on the Little Me website.

Monthly Mystery Readers

Last month, Ms. Aliya Tariq, a 1st grade teacher, came in and read to the children. She went over sequencing within the story by using a Velcro story board and characters. She was a huge hit! This month, Ms. Patty Mallory, a 3rd grade teacher will be coming in to read and has several tricks up her sleeve. In August, Ms. Zena Saleh, a 1st grade teacher, will be our mystery reader!

Scholastic Book Orders

Little Me will be sending home book order forms every 2-3 months. The Scholastic website online ordering instructions are located on the Little Me website. When the next month comes out, please look in your child's cubby.
