

The Little Me Growth Chart

Friday Swim Days

As summer approaches, and hopefully the rain stops, we will begin our Friday swim days once again! Each Friday we will be bringing out the kids pool and letting the children swim. (starting June 10th). With this crazy Ohio weather, we may notify you with a day change if we see Friday may not be a good weather day. We will place a notice in your child's cubby of the change. We will apply the sunscreen that you have provided and let them have a ball. Please be sure to send in their swimsuit (and swim diaper if necessary) each week!

Family Vacations

As the 1 year anniversary of Little Me approaches, the families who have been with me since July 6th, 2010 will earn a 1 week, unpaid vacation credit. As stated in the Little Me Handbook:

Each child is allowed one week of absence unpaid after one full-year of care (52 consecutive weeks). To be eligible for a vacation week, Little Me Childcare must receive at least one week notice in advance of the vacation time. A week is defined as 5 consecutive days, from Monday through Friday, regardless of the days the child is actually scheduled.

If you are eligible, you will receive a coupon to use after July 6th, 2011. The coupon will be good for 1 consecutive year.

Thank you to all my families for your love and support over the past year.

Little Me & Learning

June's goals will include the following:

- Child's Name Recognition
- Review A-M
- Review Numbers 1 -20
- Shapes/Colors
- Scissor cutting/Mazes

Jenelle's Vacation Reminder

I will be out on vacation June 10th—June 17th. There will be plenty of coverage at Little Me! Please feel free to contact me during this week for ANY reason. Everyone should have my email address as well as my cell number. If not please go to www.littlemechildcare.com for the information. I will miss my kids!

Infection Control and Safety

We try very hard to control the spread of disease in the day care. We sanitize daily with played-with toys and surfaces. Each Friday, every toy as well as surfaces get disinfected. We also have the carpets professionally cleaned every 6 months with stain guard applied. The carpets were just cleaned this past Saturday (5/28/11).

As parents, you play a major roll. By taking off your child's shoes as you enter, or keeping them home if you feel they are sick prevents the spread of germs and disease. Thank you for always helping us to keep our kids healthy.

We also just completed our annual Fire and Health Inspection. Passed with flying colors! The inspection reports are in the binder if you would like to see them.

Outside Play

With the hit and miss rain, we try very hard to go outside to play. However, the children do get very dirty. Please make sure they wear play clothes and shoes.

Also, a clean change of clothes would be appreciated!

Grocery Bags

We are getting low on plastic bags. Please send them in if you have them!
