## Thanksgiving

During the month of November, we will be discussing the harvest as well as being thankful for all of the wonderful people and things that we are blessed to have in our lives. We will be having a traditional Thanksgiving dinner "lunch" on Wednesday, November 24th. We will also be doing some arts and crafts surrounding Thanksgiving.

## Thank You

I would like to thank all of the wonderful parents who allowed their children to attend the harvest patch field trip. I know it takes trust to allow your children to go outside Little Me. The kids had a blast!

## Veteran's Day

November 11th is Veteran's Day. Please take the time to thank our service men and women for the job they do. Veterans Day is a celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good. Without them, we would not be free.
