

# The Little Me Growth Chart

## Movie Day

Two Fridays a month we will be having fun movie day. The children will be allowed to watch a movie that all the kids agree on. Movie day in the month of October will be determined on the weather. We will still go outside as much as possible. We all LOVE playing outside :)

## Water Days

The first day of Fall was September 23rd. Summer is winding down. We are finished with our Friday Pool Days:( Actually, the pool itself is also finished, it sprung many holes. The children had a very good time swimming. We will start Friday Pool Days once again in the spring.

## Cold & Flu Season

As we approach the cold and flu months, there are a few reminders. Please keep your child home if they are not feeling well. If your child has a fever, they must be fever-free for at least 24 hours before returning to Little Me. Gabi and I are also doing our part to decrease the spread of germs. Hand washing, hand washing, and more hand washing! The toys are being disinfected at least once a week. We have a "mouth" bin for the toys that we see entering a child's mouth to be disinfected that evening. The changing table, eating table & chairs are also disinfected between each change and meal.

Gabi and I have received our flu vaccines so that we may be healthy to take care of your children. We will all get through the next fall and winter months together. If any of your contact or emergency phone numbers have changed, please let us know.
