

The Little Me Growth Chart

Outdoor Play

We will continue to go outside as the weather eventually gets cooler. Please bring appropriate clothing as the weather starts to change.

Boy, do we have fun! We play many games, hide and seek, ring around the rosie, and tag to name a few. We have also started to incorporate music into the program. The children love to take the musical instruments and march around the yard!

Welcome Ms. Linda!

Little Me would like to extend a very warm welcome to Ms. Linda Coffman! Linda has many years of childcare experience. She is married and has 2 children and 1 grandson. She is an excellent addition to the Little me family. Please take the time to come meet her. Her hours will mainly be Monday—Thursday from 8am—12:30pm. She will also fill-in at other times when needed.

Little Me & Learning

September and October educational goals will include the following:

- Pencil Control
- Recognition of beginning numerals and upper case alphabet
- Name recognition and spelling
- Shapes/Colors review with worksheets
- Scissor cutting/Mazes

We are very proud of the 2 and 3 year olds. They are progressing very well at their own pace. We will continue to encourage each child to work to their own potential.

Exciting Upcoming Events

Wednesday, September 14th @ 9am

On September 14th, we will be having...

Donuts with Dad!

Please try to come from 9am—9:30am and sit with your child(ren) for breakfast!

*Friday, September 23rd

On September 23rd...

Scholastic Book Orders Due!

Scholastic book clubs are offering bonus points for any book order during the month of September. Please bring in your book orders or order them online. Instructions for ordering books online can be found at: www.littlemechildcare.com

***Please make your checks payable to Scholastic Book Clubs.*

September is Baby Safety Month

September is baby safety month. This is also intended for all children, not just infants. The Juvenile Products Manufacturers Association (JPMA) is an awesome resource for recall information, safety tips, and also offers a free membership to parents. Being aware of your surroundings and the items your child uses, will ensure that they stay safe. It only takes a second for something irreversible to happen. Please check out: <http://www.jpma.org> for further information.

Fire Prevention Week October 9-15

Fire prevention week is approaching! We do monthly fire drills, however we will take this time to also explain what to do in a fire, stop-drop-and roll, where the exits are, and a fun activity book. This will be presented at their level and in a light way so that we do not scare them. We will also be talking about when to call 911. If anyone knows a firefighter, we would love to have a visit!
